“ *My uncle dave was my number one fan and was always proud of any accomplishment I made no matter how big or small. The best memories I have of him are all the times we went to the park to practice baseball. I will never forget all the support and love he showed me throughout the years. He never judged and always saw only the best in people*

Haven't seen you in a very long time but time doesn't take away the good memories I have of you, I met you when I was about 11-12 yrs old and through those next 10 yrs when we were young and stupid we did some crazy things but you always tried to be my voice of reason and I know that had you not stopped me from doing stuff crazier than what you and Johnathan were gonna doWell things could have turned out alot different or worse, so as heartbreaking it is to know your gone just know your never forgotten and Thank you for being the sensible one when I needed it. You were and will always be my crazy sensible big brother in my heart and memories forever Rest in Piece
