“ *On behalf of the Merchantville-Pennsauken Water Commission, our deepest sympathies are extended to the Hutton family on the passing of Doris. Grandson Jonathan served diligently with us for almost 5 years until securing a position as a Firefighter with the Pennsauken Fire Department. Joseph has been a dedicated full-time employee since May of 2012. The Hutton family has maintained a long standing record of service and support to the Township of Pennsauken. We extend our condolences and will keep the Hutton family in our thoughts and prayers. Michael A. Saraceni, C.O.O.*
