

Eileen Arrison

September 17, 1953 - January 8, 2021

On January 8, 2021, the world unexpectedly lost a bit of its sparkle. Eileen Susan Arrison (nee Fennessy), age 67, was a gifted artist, writer, chef and friend to every person and animal she came across. Fondly referred to as "Onie," "Snow White," and "Queen Eileen," she enjoyed doing random acts of kindness like delivering her famous quiche during hard times, keeping snacks and items in her purse in case she came across someone in need, and singing with the car radio on trips. Those close to her will miss her witty sense of humor, her retelling of family stories, personal poems, phone calls that come just when you need them, coffee and wine dates, sharing dessert for breakfast, playing with grandma's jewelry and so much more.

During her time on Earth, she was surrounded by an abundance of family and love. Eileen is survived by her high school sweetheart and husband of 46 years, Charles; her children, Jacy (Nathan), Amy (Joe), and Adam (Valerie); her father, Donald (Betty); siblings, Maureen (Joe), Kathleen (Gary), Michael, Patrick (Evie), and Julie; her grandchildren, Alayya, Valencia, Mercedi, Savana, Rylan, Ginger, Isabella, Isla, Wyatt, Fallon, Max, and Avianna; her great granddaughter, Indigo; and countless nieces, nephews, and cousins.

She was preceded in death by her grandson, Declan and her mother, Patricia.

She will be deeply missed by her family, friends, and neighbors, but we find

comfort in our belief that her selflessness on Earth will be rewarded in Heaven.

Family and friends are invited to attend her visitation on Thursday, January 14, 2021 from 8:30am-9am for those considered high risk and 9am-10:30am for those considered not high risk. A Mass of Christian Burial will begin at 11:30am at Mary, Queen of All Saints, located at 4824 Camden Ave., Pennsauken, NJ 08110. Interment will follow at Calvary Cemetery in Cherry Hill. In lieu of flowers, memorial donations can be made to the Voorhees Animal Orphanage by visiting <https://www.vaonj.org/>.

Livestreaming of the visitation will be available, at <https://webcasts.lifetributes.com/1113735>

“ I was deeply saddened to hear about Eileen's passing. My deepest condolences to Chuck and all her family and friends. It has been many years since I have seen Eileen, but I still remember her happy personality and her laugh. Heaven has gained a beautiful soul. May she Rest in Peace.

“ Eileen was one of the kindest and caring individuals I had the privilege to know at Holy Cross. I was not surprised by the wonderful things people have written and the numerous amounts of kind deeds that Eileen had done over the years.
I am sure Eileen was met by our Lord and welcomed into Heaven with His open arms.
Rest in Peace Eileen.
Sincerely

“ Getting to know Eileen was such a privilege - will remember the times we had an opportunity to share smiles and thoughts in anticipation of Bennett and Alayya’s wedding. She was clearly special and her presence and spirit will cling tightly to all who loved her

“Eileen and I reunited when her and Chuck moved to Atlantic City. The timing was perfect. My Mom went into a nursing home, my sister and I had the task of breaking down her home. Chuck’s Dad and my Mom were brother and sister. Eileen and I shared many moments as we came across various family heirlooms. We were so pleased to share Mom’s keepsakes as well as my Mom’s prized possessions. It was heartwarming to see them in Chuck and Eileen’s home.

Eileen allowed me to borrow her cook books, just make sure I return them in tact.

One of my favorite recipes is now “Panzanella” salad.

We would go on and about politics (we shared the same view) and she would end the conversation with

“ so Mrs. Lincoln other than that, how was the show)

Eileen was a vibrant, intelligent, kind soul who will be missed dearly. My heart breaks for my cousin and his family and I pray that God’s Love will prevail 💔

“Her picture speaks a thousand words, loving, caring, welcoming, happy.

When my wife was seriously ill Eileen cooked and brought meals. She sat with me to talk about everyday things so to relieve my burden. I have been a guest in her home while enjoying a meal, several glasses of wine and some very good conversations about many topics. Our loss is heavens gain and she will hear us when we talk to her.

I had a lot of great memories and, I remember the one time when me and Jacy, I think was 6th grade, helped you guys out and cooked Spaghetti Gravy and I kind of swiped alot of wine from your parents, I that went into it lol your mom was awesome and your Aunt Kit was about it also.. I also remember when she would drive me home she would give me that mama tiger talk about life and how it used to be back when. Great times. I can't believe your gone, but I will always treasure your advice even if I didn't realize it at the time would be true in the end lol. I have so many memories that I can't list here. My Condolences to everyone in the Arrison Family, Mr.A, Jacy, Amy, and Adam and to all the rest of the clan. R.I.P Mrs A ❤️*

“ I will always remember how easy Aunt Eileen was to talk to. She and I both shared a common interest - The Food Network! (Smiling) Whenever we were together at family get-together, we talked about the shows that we were watching on the Food Network and which chefs we liked/disliked. I also knew that she was an animal lover who enjoyed feeding the squirrels near her home. 🐿️💕 Rest In Peace, Aunt Eileen. 🙏

“ July fourth With Eileen and Chuck.....so good.....so much fun. So many memories.

Yet my favorite memory dwells upon an early spring camping trip along the Delaware River years ago . We rented canoes and spent a day on the river. Passing a small island we noticed an eagle nested in it's aviary. What an amazing sight! We wanted to see it more fully and decided to circumnavigate the island. However the leeward portion of this island became a dank and muddy swamp. Eileen left her canoe, entering the swamp, and pulled the canoe alongside. Chuck and I followed suit.

The effort was rewarded as we returned to the river. The nesting eagle spread it's wings in full display.

“ I met Eileen in the elevator of our condo building. She overheard me telling a friend that I was looking for another apartment and she gave me a lead on one. From that moment on, we were friends. I ultimately took another apartment but still considered her a caring friend. She had an unforgettable quality absent in a lot of people today. It left an impression I won't forget. My most sincere condolences to Eileen's husband and family.

“ My cousin, Eileen, often called me in the time leading up to and after my divorce. She had an uncanny ability to sense when I needed bolstering, distracting, and a shared laugh. Our shared love of goofy critters and cooking were often topics of conversation. I will miss her warm heart and sense of humor. Well lived, Onie!

“ I met Eileen about 37 years ago when our daughters, Amy and Laura attended pre school together. We became fast friends and lost touch when I moved out of state. She did a search and found me about 8 years ago and we reconnected. She was such a caring, giving and sweet person and I will never forget her. My condolences to Chuck, children and grandchildren.
