“ My memories of Mrs. Klaszky are nothing short of wonderful. Growing up in the same neighborhood (1963 to 1969) and being good friends with her son, Steven, allowed me to know her in such an endearing way. Her home was always open to us "kids" and she was like a neighborhood Mom to me. She even made it possible for me see my first Rock-n-Roll concert (The Four Seasons) driving Steven and me to the Steel Pier around 1965.

Some 40 years later, I traveled back to the old neighborhood, now being in my 50's, and without notice I knocked on her door in an inappropriate time. She was so surprised to see me, she welcomed me in, made me something to eat and she and Mr Kaszky couldn't do enough for me showing me a love only she was capable of giving. She made me feel like I was 14 or so and the memories of my childhood were so thick that night I felt it was the 60's all over again.

I will never forget Mrs. Klaszky, she definitely impacted my life and she will be missed. Knowing her Faith in God, I know she is with Mr. Klaszky in Heaven.
