“ Greg was a very dear friend. He was the best man at my wedding and my son Jason's god father. When I went into labor Greg went up to the hospital and sat in that hospital for hours even after they told him it would be a long while haha I have so many memories of him and everyone of them ends with that big warm smile. Even later in life he still came around worried about me. ...he had a HUGE HEART of GOLD!! He will be sadly missed!!
Sending prayers to his family❤️
