December 23, 1929 - April 14, 2014

Jean B. Mitchell, 84, of Pennsauken, passed away on April 14, 2014 after a brief illness. Jean was a graduate of Merchantville High School (1947) and Trenton State Teachers College (1951) now the College of New Jersey. She was a dedicated educator, teaching at Carson and Longfellow elementary schools in Pennsauken for more than 25 years, and was a recipient of the Governors Teacher Recognition Program for outstanding contributions to education. Jean was a native and lifelong resident and supporter of Pennsauken.

Jean will be greatly missed by Jack B. Mitchell, her loving husband of 61 years (preceded by 7 years of persistent courtship); daughter Kim Mitchell, her husband Ralph Abreu and grandson Nicolas Abreu of Montclair, NJ; daughter Kathy Stello, her husband Ralph and grandsons Julian and Rory of West Orange, NJ; son Keith Mitchell and his wife Milissa from Runnemede, NJ; and son Kyle Mitchell, wife Pam, and granddaughters Jacqueline and Anjelica, of Nutley, NJ.

Jean's passions were for family celebrations for every possible occasion, and gatherings and trips with the Tanagers--her beloved and tight-knit group of friends of more than 70 years--as well as college classmates, the Lake House Gang. She loved visiting the Jersey Shore (and Mack and Mancos pizza), reading, music, movies, theater, shopping and giving, especially candy from Aunt Charlottes in Merchantville. Late in her life, she also became a sports fan of the Phillies. She enjoyed travel around the United States and to Ireland,

England and France, and was a volunteer at the Pennsauken Free Library, a supporter of the Philadelphia Art Museum, Pennsauken Food Pantry and Salvation Army.

Visiting hours will be held on Monday, April 21 from 2 to 4 p.m. and 7 to 9 p.m, at Inglesby and Sons Funeral Home, 2426 Cove Road, Pennsauken, NJ, 08109. “ *Jack,*  
*So sorry to hear the sad news. Jean will be in our thoughts and prayers today as the family gathers for Easter dinner, as will you. Jean was a bridge for the next generation of our family to learn and hear was it was like for the last generation of our family as she was growing up. She was a treasure as you well know. You were both a pleasure to spend time with. For my family I extend our deepest, heartfelt sympathy for your loss.*

“ *Sending our sympathy, condolences and prayers to the family. When I was a young 21-22 yr. old kid Aunt Jean was one of the few who seen only the best in me. No matter what I always got a Christmas card from her if she knew where I was. That was the kind of woman she was. Sweet & Caring. I remember when I took my wife to their house, the same house I ever remembered. They fed us cheesesteak subs from the local sub shop. That was the last time I seen Aunt Jean. She will surely be missed. We will see her again at the return of our Lord Jesus Christ. With much love, Joe & Sheila & Virginia & family.*

“ *We are sorry to learn of Jean's passing. She was one of the best teachers at Carson School when my 5 children attended. She was soft spoken but got her points across to the students. Third grade was always a great year for me. Jean did many fun things with the children, also. We All remember her Chinese New Year Celebrations. I often talked with her around town. She always had kind things to say. I'm sure you will miss her. God Bless you. Jean Rowand and Family*

*I was also in this class. It was the year my grand parents passed away and Mrs. Mitchell was very understanding and supportive to me as I grieved. She was so compassionate and always encouraging to all us. She will truly be missed by all that knew her. God Bless and hugs*

“ *I had Mrs. Mitchell in 3rd grade in Carson Elementary. I was new to the district and she made me feel so welcomed! Years later, after I moved districts, I received a letter from her congratulating me in my high school graduation. That meant so much to me and showed what a thoughtful person she was. She was not just an amazing teacher, she was an amazing person.*

“ *Jean was one of the most wonderful teachers & a great friend. I was the PPre-K & K teacher at Carson from '84 to '88 & Jean's classroom was next to mine. I was so inspired by her love of the children & the wonderful projects she created to keep them interested in learning. She was one of the kindest people I've known. It was such an honor to know her. I know that she positively affected so many lives.*
