“ I will always fondly remember Johns quick sense of humor, even though it was usually at me or your family's expense 😊 the joking and clowning around that is what I will remember always. Great memories and I am wiser for the time. All my love always to the Barrett, Crusco and Conklin families.

“ Jack and Rose, I am very sorry to hear about John. As you know, we went through a lot together as kids growing up in the Park together and always struggling to stay ahead. John will be missed!!!

*“ Big John had the biggest heart. He always treated me like a little brother. I used to crash at Mike's house and drink John and his Dad's beer and he always had a cheesesteak sitting on the table for when we woke up. He always asked how me and family were doing and it meant the world to me. I'll never forget you brother. Do a shot with Dime, Vinnie and Lemmy for me. Love ya Dude*
