“ 1995 will be a memorable year for me. That is when we met Joe on a cruise. That has been and will continue to be the best friendship we could have made. Joe was one of the few people my husband connected with right away and our friendship has and always will be wonderful. Joe would do anything he could for you and he will be missed dearly, especially our trips to the casino.

“ We lost our very dear friend, (who was like family) last night. We will miss our silliness while playing cards which always brought us to tears of laughter. Sixes will never be the same. Rest in peace Joe. We love you ...
