“ Joe I been praying and thinking of you everyday since you passed. You are dearly missed but I am comforted by the thought that you are in a better place. Life can be such a struggle here on earth, even when things are good most often those good times are only fleeting. I know you've found eternal peace. Rest easy brother, love you so much.

“ Joey, it was an honor and a privilege to have known you. You were always so kind, respectful, and warm. I will miss you. You were a creative, sensitive, and hard working individual who loved your parents and family immensely. I've never known a teenager or young man who showed more love and affection for his parents. You will always be remembered for your engaging smile, warmth, humor, and your many successes. Thanks for being part of my life and for being such a fine young man. With love, Margaret Dolan

“ *What a beautiful person. I will miss him a lot. So funny and caring. A really great person gone way too soon. He made us laugh many times, and I will always remember him for the kind, gentle, and sincere guy that he was.*

“ *The only thing that comforts me now is that I told you often I loved you when you were here. You were my brother and the only regret I have is not having the power to shoulder your pain to make it easier on you. Nobody judged you as hard as you judged yourself, Joe. Now at peace, you see how much we all love you. And we know how much you love us.*

I will miss you pal, more than you know. Rest easy. If you ask God why he took you so soon, listen to his answer. It's because he loves you and did not want to watch you suffer.

“ Words fall short of saying just how much I miss you. In life, as your big brother, I tried to be an inspiration to you. Now, you will be my inspiration. I tried to be someone you could look up to. Now I will be looking up to the heavens at you.

Love you always,
Chris

“ Feel no guilt in laughter, he'd know how much you care...

Feel no guilt in laughter, he'd know how much you care.
Feel no sorrow in a smile that he is not here to share.
You cannot grieve forever; he would not want you to.
He'd hope that you could carry on the way you always do.
So, talk about the good times and the way you showed you cared,
The days you spent together, all the happiness you shared.
Let memories surround you, a word someone may say
Will suddenly recapture a time, an hour, a day,
That brings him back as clearly as though he were still here,
And fills you with the feeling that he is always near.
For if you keep those moments, you will never be apart
And he will live forever locked safely within your heart.

“ MY STAR IN HEAVEN

*I am sending
a dove to heaven
with a parcel on its wings
be careful when you open it
Its full of beautiful things
Inside are a million kisses
wrapped up in a million hugs
To say how much I miss you
and to send you all my love.*

*I hold you close within my heart
and there you will remain
To walk with me throughout my life
Until we meet again*

“ *Joey you will be missed dearly, love you always your sis....Hopei....*

*I cannot say, and I will not say
That he is dead. He is just away.
With a cheery smile, and a wave of the hand,
He has wandered into an unknown land
And left us dreaming how very fair
It needs must be, since he lingers there.
And you—oh you, who the wildest yearn
For an old-time step, and the glad return,
Think of him faring on, as dear
In the love of There as the love of Here.
Think of him still as the same. I say,
He is not dead—he is just away.”
