“ Judy was a second mom to many of us. She always had time for us and would make room for anyone at her table or out back on Sundays! Sundays were always the best! She would also be my biggest advocate when trying to get my parents to allow me to do something! (Summer in OC) I am so lucky to have grown up with such an amazing family! Bobby, Kristen, and Lisa- the way you parent those amazing kids with such warmth and selflessness is so Judy! She will always be smiling and proud! Xo

I Remember Judy when we were in grammar school. She was shy and sweet and kind. I saw her infrequently over the years and wondered at how brave and courageous she was to go through some tough times. She raised beautiful and wonderful children. Judy is an outstanding and classy lady - she will be missed
