“ Louise, Chad and Jim, I was so sorry to read about your Mother's passing. I saw her at St. Mary's three years ago and she was so sweet and shared stories of her life and my Mother and Aunt's lives. Your Mother was an amazing person and lived and loved life. She was a "sorority" sister of my Mother, Eleanor Endres Mannion, and my Aunt, Catherine Endres Barr . Your Mother was in my parents' home many times and I remember the excitement getting ready for each Sorority meeting. What a wonderful group of "girls" in the Sorority and they were all so fortunate to be so close and have each other. I believe your Mother is the last one of a special group of "girls" that shared so many life events from high school on. I will remember her smile and joy.

I saw this giant box of chocolates and had to get it for her. As you can see by her big smile, she really got a kick out of it.

“When you lose a parent, you lose the past. When you lose a spouse, you lose the present. When you lose a child, you lose the future.”

Your mother, our Aunt Kitty, was a huge part of the past. Work history, motherhood, charities etc, but somehow time diminishes the past. However, Aunt Kitty's signature smile & love will always be a lasting memory!

Aunt Kitty & I were soul mates, friends & confidants. Our friendship blossomed by living nearby in New Jersey. Before I knew it, I was driving 'MISS DAISEY'... LOL! Oh we had so much FUN. Aunt Kitty had a gift of sharing her love. However, I thought I was special; not so! Aunt Kitty made everyone feel special.

Aunt Kitty, Loretta Foy Lukic & Lois Magee were the AWESOME THREESOME! We drove, took a train, bus, walked; whatever was necessary for the next adventure. Trips, lunches or just a long overnight visit were the best times ever!

In addition, Bob is especially sad to lose his favorite Aunt & GOD-MOTHER. When Bob was a child, Aunt Kitty was extremely kind to him. Aunt Kitty's warmth to Bob was never unnoticed or forgotten. So the future will continue with the gifts of love, kindness & warmth your mother bestowed upon all of us!

*May God hold your Mother close to his heart forever & ever...
We love you AUNT KITTY!*

*Thank you for sharing your Mother,
Bob & Lois Magee*

“ I can not remember a time in my life that I wasn't excited to see her, be with her or could have loved her more. I have so many beautiful memories and exciting adventures that we went on together with Lois Magee. Lois and I shared "Our Favorite Aunt" and years ago we celebrated her birthdays by taking day trips to New York City, Washington DC, the Baltimore Inner Harbor, Center City Philadelphia and numerous luncheons where we sat for hours and talked about everything and nothing. My Aunt Kitty was beautiful insight and out. I will think of her often, miss her dearly and love her forever.

“ My favorite Aunt ,I love Her dearly. I so enjoyed coming up September to spend her Birthday with her. We would sit in her kitchen and talk long into the night. I loved hearing family stories ,even more when they differ from my Mother's (her Sister) side of the story!

She was truly beautiful ,well dressed and very educated. May she rest in peace.
