“ Dear Doreen, Patrick, Sean, Brian, Kathy, Jimmy, Debbie and all the family.

I am deeply saddened to hear about the passing of your beloved husband, father, brother and grandfather, Pat. Losing someone we love is never easy, and I can only imagine the pain and sorrow you are experiencing right now.

Pat was a remarkable person who touched the lives of many, and his absence will be deeply felt by all who knew him. He was always there to help anyone; family, friend or stranger, with anything. I remember the time, about 35 years ago when, out of pure kindness, he took time to instruct and assist me with a railroad tie retaining wall at my house. Both sweating, but happy and joking around, enjoying a few beers the whole time. What a wonderful and generous person he was.

Please know that you are not alone in your grief. Lean on your family and friends for support. May the love and strength of those around you provide some comfort as you navigate this painful journey of healing.

Pat will always hold a special place in our hearts, and his memory will live on.

With deepest sympathy and love,
