“ Can't believe it's been nine months since she passed...even now , it's hard to believe that she was taken by God at such a young age...but, He must have had another plan for her. Her children and grandchild should feel comforted knowing that they have an Angel on their side, looking after them.

Words I don't have but memories I do, god gave me the privilege to be in rita's life as her cousin. We as family spent lots of holidays parties and just to hang out.you gave so much and left us with great kids grandkids and so much more.never forgotten always a memory. Start your journey of your new life and save room for all of us.give hugs and kisses to all and fly my angel and find your way.ox your cousin annmarie.
