“ *Dear Carty family:*

I wish to convey my sincerest condolences to your entire family. Losing a loved one in death is one of the hardest things that anyone will ever have to deal with. There is a great hope held out to us for the future because God promises to bring those we lost back to life by means of a resurrection to a paradise earth, where sickness and death will be no more. I hope this brief message will bring you a measure of comfort in this difficult time.

“ I was saddened to read of the loss of your loved one. When we lose our loved one in death it is the most difficult time in our life. However, there is loving comfort in Psalms 55:22 to “throw your burden on God and he will sustain you..” Yes, no matter what you are facing God is there to help you get through it. May you continue to have the love and support from family and friends. I sincerely hope that this Bible message brings you a measure of comfort during this difficult time.

“ Uncle Bob...such a caring person!!! Always thinking of others!!! When our house was broken into and my coin collection was stolen, Uncle Bob bought me collectable coins so I could start a new coin collection. He was like a grandfather to me. When I was young he was at every birthday party for me and my brother's and sister's. He loved us all SO much!!! Uncle Bob will be greatly missed!!!

Dear Debbie and Clyde, Thank you so much!! I know how much Uncle Bob cared for Penny and her whole family. Thank you for sharing some information about my Uncle that I did not ever know, like how he built carriages and sleighs. I know he was an amazing master carpenter! God bless you both!!
