“ *Gigi, Rory, Kerry, Ashleigh and all the Dick family, Bird is one of a kind guy, he was always there if he was needed. I go back to the "milktruck" days with Bird. He would just ride around town and pick everyone up and made sure everyone got home safely. Bird had a big heart and just as big laugh. What happened to him he surely did not deserve, God wanted him for whatever reasons. He leaves behind many friends who admired him and children that should be very proud of such a good man. He is now another Angel waiting to take our hands.*

“ *Dear Bob-I can't believe you are gone, twenty years ago I met u thru my co-worker named Gigi, we hit it off automatically, who knew you would turn out to be such a special friend. You had the most unique laugh in the world! Alot of great memories in my life involved you & Gigi, where do I begin? Of course it started out w/the annual pig roasts @ your house, being me & Gi's designated driver when we wanted to go to the Coral Reef even though we got on your sober nerves, the Carnival Criuse, my wedding, Ralph's house & the pool, cooking on our grill @ Brandon's 2nd birthday party, Comedy Show in AC & limo for Gi's 40th, I could go on & on, you were such a good person, husband, Dad, grandfather, we all miss you so much. You made the best breakfast potatoes & how did you always win when we played Rummy & Uno, what was the secret????? You were & always will be the love of Gigi's life, thanks for being so good to her, please watch over all of us. I'm so glad I got to see you a few wks ago for your birthday! Rest in Peace "Bird"*

“ To the entire family of Bob (bird) Dick My prayers and Love are with you in this time of sadness. Bob was such a nice guy and I will always remember his laugh. I used to ride with him and my dad every morning during my high school years when they took me to school on their way to Pet Lawn. He worked there for a long time when he was younger. He was one of my dad's best workers. I used to sit in the back and would see his long pony tail hanging down the back seat. He was a kind man and always had time for the kids in the family. They all loved their Uncle Bob! I will always have fond memories of him.and will NEVER forget him. Remember all the good memories! I am sure there were so many because he was a really good person.

All my Love,

ME

“ I consider Bird one of my greatest friends of all times. He would be the first person I would call if I ever needed help and he would be there in a heart beat, no questions asked,. I met Bird in 1971 through Gladys and we became instant and life long friends. So many great times and great memories; the milk truck, the mg, the river, the dragon, summer trips to the water slides, Tenby Chase, Delair house, Audubon house, mountain trips, booze cruises,shots!!! Belmawr house, pig roasts, card parties, shots!!! Sitting at the light on 130 in Cinnaminson in the mornings and having Bird pull up next to me on his bike and saying "hey baby"....with that grin of his! he could always bring a smile to my face. Our little group helped celebrate the birth of all his kids we've watched them grow up to be a handsome young man and two beautiful young women. Bird is an unforgettable person and a true friend who gave his love unconditionally. He has touched so many hearts and his kindness is known by all that have had the privilege to know him. He will forever be in my heart. My love to Gigi, Rory, Kerry Ann, Ashleigh, Michael, Janice, Gladys, Milton, Georgia, Jay, Linda, Jackie Sue, Talan, Baileigh, Ryder, all the nieces and nephews and extended family and friends. Love always, Mary

“ We wanted to send our deepest sympathy to Gigi, Rory, Kerryann, Ashleigh and all of Bob's family. It's hard to lose someone so very special.

I think Bob made friends with everyone he ever met, he had a way of making you just love him, after he remembered your name of course. When he laughed the whole room laughed. We are going to miss him so much. But we are glad we got the time we did with him. I wish all of you peace. I know it's so hard when your heart is breaking.

Love to you all,
