“ *I remember meeting you a few years ago when you visited. You were such a gentle soul. Through your son, Bob, I feel as though I knew you. All the stories he talked about you in. You were the hardest working guy I ever heard about. Thanks for the memory of your visit and your gentle conversation. Oh, and also for letting me dance with your beautiful wife. Lol RIP sir and continue looking over your family until you meet again. Give my great friend, Bob and the rest of your family strength through their sorrow and wipe their tears away. Semper Fi, sir!*
