“ *Dad, It has been almost a year since you have been gone and we miss you everyday.
Our only comfort is knowing that you are with God now and beside mommy again. Although we are thankful that you did not suffer it does not soften the loss.
We pray for you and mommy and know that you are both watching over us.
We love you and miss you very much. All our love, Maria and Len*

“ Mike, Kim, Melissa and I want to express our deepest sympathy on Uncle Tom's passing. I know that for myself, I will miss his great sense of humor, smile and laughter. It surely was contagious. I will miss seeing Mike pick up the phone in April and teasing Uncle Tom that he already has radishes: Love to all###imported-begin###Joanne Deaner###imported-end###

“ *Poppy was the first one to get my to try bubble water, and the reason I still drink it. I am just glad I learned that the reason he squeezed the air out was to make it less bubbly instead of more bubbly.*

Poppy always had a spare frozen chocolate covered donut to share with me, no matter what time it was, even though the best time to eat them is at night, with coffee.

Poppy still loved me after I licked all the cheese-doodles before handing them to him when I was a little kid, and he ate them, because I brought them to him. That is love.

Poppy always knew how to make me laugh, even if it was over the phone from hundreds of miles away.

Thank you for being an amazing grandfather, and a wonderful, powerful, and lasting influence in my life. I sincerely appreciate all the love you have shown me, guidance you have given me, laughs we have shared, and all the times we played cards when I was little, and colored, color-by-numbers on your kitchen table. I love you, and I always will.
