“ My dear Uncle Ozzie, a very special and warm hearted man, I was blessed to have you in my life! I will miss and cherish our conversations on the phone. I will remember times shared with you, your warm smile, those blue eyes that twinkled, like Grandmom's. Oh, you always took such good care of her! You will be remembered as a hardworker, a Veteran who proudly served your country. A father with a beautiful family you took care of so well. A loving brother, to Eddie, with whom you grew up and shared many years of games, pranks and just plain brotherly love. Most also knew you as the marble champ, "Oz". A dear Uncle, Grandfather and Great-grandfather! What a legacy you hold! All from such a kind man, who always stayed so humble! To think you still had hobby time to be a great bowler, baseball player, golfing, fishing and just to be one of the sweetest memories for all of your family and friends! And now, my sweet Uncle Ozzie, be at peace and joined again with Grandmom and Grandpop and know you are loved and cherished for all time! xo xo##imported-begin##Debra Sotelo##imported-end##
